AIG SUBSCRIPTION FEE 2009: 210 Euros

INTERNATIONAL A.I.G.
AWARD

The association shall award the 2 best projects with 1000 Euros each. All works must be received by the 15th of September 2009. The topic has to be one amongst Implant/implantprosthetic or orthognathic rehabilitation with the observation and respect of gnathologic principles and concepts. Works have to be original and one cannot present any project that has been previously published elsewhere. We invite all participants to send their works both on CD and as a printed document. The format can be one of the following:

- Article/case report (min. 5 max 10 pages) in Italian or English
- Poster 80x100
- Summary (max. 15 pages) of Essay/Thesis

Authors must send 5 copies of their work. It is essential for each project to include diagnosis, treatment plan, therapy and possibly follow-up and conclusions. Please send to Dr. Eugenio Tanteri, Via Valgioie 60, 10146 Torino.

SUBSCRIPTION FEES

All fees include coffee breaks and luncheons.

Half-day pre-congress courses will be held on Thursday October 22nd and participants have to communicate their choice at subscription (one for the morning and one for the afternoon).
